

## Speed Tape

## Other Lives

Some day  
You will be gone  
It's a matter of time

Then you  
Will realize  
You were chasing the wind

Save us  
Lead us to shelter  
They are upon us  
This is our time

And Burlow  
Came without warning  
It's breaking our heart  
And wasting our mind

Somehow  
You will get by  
It's a matter of time

While you  
Are still alive  
You will wait to begin

Save us  
Lead us to shelter  
They are upon us  
This is our time

And Burlow  
Came without warning  
It's breaking our heart  
And wasting our mind
