

Love & War

Otherwise

Spinning out alone with a bottle I'm a big disgrace
Still dying to meet you
In and outta Hell but I still got a smile on my face
So I can defeat you

You wanted to play, I ain't playing no more (More! More!)
You wanted a fight, now I'm bringing the war (War! War!)
It's all the same, it's all the same...

Love and war, it's all the same to me
No use fighting
Lie some more, it's all I ever need
So why you hiding?
Love and war, it's all the same to me

Waiting on the night when Mr. Hyde comes out in me
Don't you want me inside you?
Praying on the weak who are blind to the savage beast
I'm still dying to try you...

You wanted to play, I ain't playing no more (More! More!)
You wanted a fight, now I'm bringing the war (War! War!)
It's all the same, it's all the same...

Love and war, it's all the same to me
No use fighting
Lie some more, it's all I ever need
So why you hiding?
Love, war, you know it's a game we play
Baby, in love and war, it's all the same to me

Lost in the battle, loosing control
All out of ammo, this is what I live for...
YOU WANTED A FIGHT NOW I'M BRINGING THE WAR
It's all the same, it's all the same...

Love and war, it's all the same to me
No use fighting
Lie some more, it's all I ever need
So why you hiding?
Love, war, you know it's a game we play
Baby, in love and war, it's all the same to me

NOW I'M BRINGING THE WAR (WAR!)
NOW I'M BRINGING THE WAR (WAR!)
NOW I'M BRINGING THE WAR (WAR!)
NOW I'M BRINGING THE WAR
