

# Once In My Dreams

Otherwise

I saw the dying sun  
Burning everyone  
I held it in the palm of my hand

As the birds flew by  
They ripped open the sky  
Stars crashed down  
Across the land

I killed a man once  
Once in my dreams  
I saved a man once  
Once in my dreams

On an open road  
I saw my dying soul  
I begged it to return to my heart

I watched my life pass by  
Through electronic eyes  
All I've known is torn apart

I killed a man once  
Once in my dreams  
I saved a man once  
Once in my dreams  
I destroyed the world once  
Once in my dreams  
And I saved the world once  
Once in my dreams

When... will... this... end?  
I've... gone... too... far again

Yeah I killed a man once  
Once in my dreams  
I saved a man once  
Once in my dreams  
I destroyed the world once  
Once in my dreams  
And I saved the world once  
Once in my dreams

Ooh ooh...

Yeah I killed a man once  
Once in my dreams  
I saved a man once  
Once in my dreams  
I destroyed the world once  
Once in my dreams  
And I saved the world once  
Once in my dreams
