There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship [shit] bare
See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch
And it's bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling

We could have had it all Rolling in the deep You had my heart inside of your hand And you played it, to the beat

Baby, I have no story to be told But I've heard one on you And I'm gonna make your head burn Think of me in the depths of your despair Make a home down there As mine sure won't be shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)
And you played it, to the beat
(Tears are gonna fall, rolling in the deep)

We could have had it all Rolling in the deep You had my heart inside of your hand But you played it, with a beating With a beating!!!

Ooh Lordy
Ooh Lordy, troubles so hard
Ooh Lordy, troubles so hard
Don't nobody know my troubles but God
Don't nobody know my troubles but God

Ooh Lordy, troubles so hard
Ooh Lordy, troubles so hard
Don't nobody know my troubles but God

Don't nobody know

We could have had it all Rolling in the deep You had my heart inside of your hand And you played it to the beat

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)

But you played it You played it You played it You played it to the beat.
