

The Other Side Of Truth

Otherwise

Say what you want cuz you know I can hear you now
Say what you mean so you stand out among the crowd
I'll kick the motherfucking door in
If anybody tries to keep you out
You just gotta keep believing, I won't let you down
No, I won't let you down...

Don't you wanna ride with me, never gonna lie you'll see
When you're not afraid to loose, face the other side of truth
Don't you wanna be unleashed, running like a lion free
When you're not afraid to loose, face the other side of truth
Come ride with me

Take what you want and forget what the world will say
Take what you need, leave the debts that you won't repay
They should've listened to the warning
This revolution is a siren sound
You just gotta keep believing, I WON'T LET YOU DOWN
No, I won't let you down...

Don't you wanna ride with me, never gonna lie you'll see
When you're not afraid to loose, face the other side of truth
Don't you wanna be unleashed, running like a lion free
When you're not afraid to loose, face the other side of truth
Come ride with me

Don't you worry, I won't let you down...

Don't you wanna ride with me, never gonna lie you'll see
When you're not afraid to loose, face the other side of truth
Don't you wanna be unleashed, running like a lion free
When you're not afraid to loose, face the other side of truth
Come ride with me, ride with me, come ride with me...

Come ride with me
Ride with me.
