

# Come to Me

Otis Redding

Come to me for I'm lonely  
Come to me for I'm lonely, darling  
Come to me and be my girl  
For I love, love you so

Come to me forget the past  
Think of life we have ahead, my, my, my, my baby  
Come to me and be my girl  
For I love, love, love you so, oh now

Day are getting so lonely, yeah now  
Life are getting so blue  
Time has come for you and I  
To get together and we'll make two, my, my, my, my baby

Come to me for I'm begging  
Come to me for I'm begging, darling  
Come to me and be my girl  
For I love, love, love you so, yeah

Come on now baby  
Baby I'm down  
Said, "I'm down my knees, oh"  
I need me someone, now  
Said, "I need some love"  
Just to stand right by me, oh

You know that these arms of mine  
They have been lonely, lonely so long  
But I know, but I know, I know what my heart needs  
I know, I know just what my heart needs
