

# It Takes Two

Otis Redding

One can have a dream baby  
Two can make that dream so real  
One can talk about bein' in love  
Two can say how it feels

Well, one can wish upon a star  
Two can make a wish come true, yeah  
One can stand alone in the dark  
Two can make the light shine through

It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, just takes two

One can have a broken heart, livin' in misery, yeah  
Two can really ease the pain like a perfect remedy  
One can be alone in a bar drinkin' all alone by herself  
Two can make that lonely place seem like somewhere else

It takes two baby, it takes two baby  
Me and you, just takes two  
It takes two baby, it takes two baby  
To make a dream come true, just takes two

It takes two, it takes two baby  
Just me and you, me and you  
It takes two  
It takes two

And one can go out to a movie lookin' for a special treat  
Two can make that movie somethin' kinda sweet  
One can take a walk in the moonlight thinkin' that it's really nice  
Two walkin' hand in hand adds such a touch of spice

It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two

It takes two baby, it takes two baby  
Me and you, just us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two

It takes two baby, it takes two baby  
Me and you, just us two, us two  
It takes two baby, it takes two baby  
To make a dream come true, it just takes two

It takes two baby, it takes two baby  
Me and you
