

# Louie Louie

Otis Redding

Louie, Louie, oh baby  
Baby, Louie, Louie  
Gotta sing my song  
Louie, Louie, oh baby  
Now Louie, Louie  
Come on, help me sing this song

I walked down the street  
On saturday night  
I go to the joint  
Where they're havin' a fight  
I jump all around  
I jump up and down  
I can't find my baby  
She can't be found, let's go

Louie, Louie, oh baby  
Baby, Louie, Louie  
Yeah yeah yeah yeah yeah yeah  
Louie, Louie, yeah baby  
Louie, Louie

Come on, let's...

I love every girl  
I see on the street  
.....  
I'd like to meet  
I walk around all day  
And com the street  
I know when the bitter  
I went with the sweet, let's go

Louie, Louie, oh baby  
Baby, Louie, Louie  
Yeah yeah yeah yeah yeah yeah  
Louie, Louie, yeah baby  
Louie, Louie

Let's go one more time  
Here we go  
Louie, Louie...
