```
What you want
Honey you've got it
And what you need
Baby you've got it
```

All I'm asking
Is for a little respect when I come home

Do me wrong
Honey if you wanna
You can do me wrong Honey while I am gone

But all I'm asking for
Is for a little respect when I come home

Hey little girl, you're so sweeter than honey And I am about to just give you all my money

All I'm asking for
Is a little respect when I come home

Hey little girl, you're sweeter than honey And I am about to give you all my money

But all I want you to do Just give it, give it Respect when I come home

Respect is what I want Respect is what I need Respect is what I want Respect is what I need

Got to, got to have it Got to, got to have it Gotta, got to have it Gotta, got to have it
