

The Dog

Otis Redding

Do the dog, do the dog
Do the dog now, baby
Come on, do the dog, yeah
Do the gog
Everybody's doin' the dog
Come on, hey baby

Do the hound dog, yeah
Do the hound dog, baby, come on
Let's do the hound dog, baby
Do the hound dog, yeah
Do the dog
Everybody's doin' the dog

Do the bird dog, yeah
Do the bird dog, yeah
Do the bird dog, baby, come on
And do the bird dog, yeah
Do the dog
Everybody's doin' the dog
Come on

Do the bird dog
Do the hound dog
Do the poodle, any kind of dog
Let's do the dog
Do the dog
Everybody, let's do the dog

Come on, baby
Let's walk this dog now
Oh just-a, just-a, just-a walkin'
Just-a, just-a, just-a walkin'
Just-a, just-a, just-a walkin'
Let's do the dog
Then we'll walk the dog
Come on, baby
Let's walk it one more time
