Clumsy

Our Lady Peace

Throw away the radio, suitcase keeps you awake
Hide the telephone, the telephone
Telephone, in case you realize
That some days, you're just not okay
You'll level off, you'll level off, you'll level off

And it's not alright now
You need to understand
There's nothing strange about this
You need to know your friends
You need to know that

I'll be wavin' my hand Watching you drown Watching you scream Quiet or loud

And maybe you should sleep
And maybe you just need, a friend
As clumsy as you've been
There's no one laughing
You will be safe in here
You will be safe in here

Throw away this very old shoelace It tripped you again Try and shrug it off, shrug it off

It's only skin
Now you need to understand
There's nothing fake about this
You need to let me in
Watching you and

I'll be waving my hand Watching you drown Watching you scream No one's around

And maybe you should sleep
And maybe you just need, a friend
As clumsy as you've been
There's no one laughing
You will be safe in here
You will be safe in

I will be waving my hand Watching you drown Watching you scream Quiet or loud

And maybe you should sleep And maybe you just need, a friend As clumsy as you've been There's no one laughing You will be safe in here You will be safe in here Well, you will be safe in here In here, in here In here, in here In here, in here
