

Our Time Is Fading

Our Lady Peace

Cut my wings, I'm growing them back today
Tomorrow's uptight, tomorrow's a bribe, tomorrow's not today
So I don't want to feel alive
I don't want to touch the sky
Will everybody trip? Will everybody slip?
Come down, come down

And I know our time is fading
And I know you're here to save me
I've been patiently waiting
It's alright, it's alright, it's alright
I know we're up and fading
And I know there is no escaping
I've been patiently waiting It's alright, it's alright it's all

Trap me up, you're up in my face
Tomorrow's a bribe, tomorrow's a bribe, tomorrow's not today
So I don't want to fall on time
And I don't to feel alive
Will everybody trip? Will everybody slip?

Come down, come down

Well I know our time is fading
And I know you're here to save me
I've been patiently waiting
It's alright, it's alright, it's alright
And I know we're up and fading
And I know there is no escaping I've been patiently waiting
It's alright, it's alright, all.. right
Yeah, you oh yeah-ah yeah, ah, ah

Cut my wings off
Suffocate me

And I know our time is fading
And I know there's no escaping
I've been patiently waiting
It's alright, it's alright, it's alright
And I know we're up and fading
And I know there is no escaping
I've been patiently waiting
It's alright, it's alright it's alright
