Starseed

Our Lady Peace

I let go of the world that was holding
a passenger that could not fly
in search of souls
souls in search of something
let it go
let it slide

When i find out what went on
i'll bring it back
it won't be easy
they won't believe how a man
he could drown
in a starseed

I hoped to find why this world wasn't glowing
glowing it darkens as we end this ride
i've fallen back under the equator
I'm back inside I'm back inside

When i find out what went on
i'll bring it back but it won't be easy
they won't believe the man he could
but i'd choose starseed over nothing
nothing
