## **Dark Horse**

## **Our Last Night**

I knew you were You were gonna come to me And here you are But you better choose carefully Cause I I'm capable of anything Of anything And everything

Make me your Cupid, baby Make me your one and only But don't make me you enemy Your enemy Your enemy

So you wanna play with magic Girl you should know what you're fallin' for Baby do you dare to do this 'Cause I'm comin' at you like a dark horse Are you ready for, ready for The perfect storm, perfect storm 'Cause once you're mine, once you're mine There's no going back

Mark my words This love will make you levitate Like a bird Like a bird without a cage But down to earth If you choose to walk away Don't walk away

It's in the palm of your hand now, baby It's a yes or a no no maybe So just be sure before you give it all to me It all to me Give it all to me

So you wanna play with magic Girl you should know what you're fallin' for Baby do you dare to do this 'Cause I'm comin' at you like a dark horse Are you ready for, ready for The perfect storm, perfect storm 'Cause once you're mine, once you're mine There's no going back

Uh, she's a beast
I call her karma
She'll eat your heart out
Like Jeffrey Dahmer
Be careful
Try not to lead her on
Shawty's heart was on steroids
'Cause her love was so strong

Damn, I think I love her

Shawty's so bad I'm sprung and I don't care She ride me like a roller coaster Turn the bedroom into a fair Her love is like a drug I was tryna' hit it n' quit it But lil' mama so dope I messed around and got addicted

So you wanna play with magic Girl you should know what you're fallin' for Baby do you dare to do this 'Cause I'm comin' at you like a dark horse Are you ready for, ready for (Ready for) A perfect storm, perfect storm (A perfect storm) 'Cause once you're mine, once you're mine (Mine) There's no going back
