

## As I Wander

Ours

As I wander at the bottom of the sand  
The fish tonight swim in melody  
Oh these people, we've got to love these people  
Cause if we don't they will go away..away

Tell everyone don't be afraid to die [2]  
We watch them [2]  
Tell everyone don't be afraid to die [2]  
We watch them [2]
