They wake in panic to a poisoned attic
They wake in panic
The pigs around me will try to drown me

When they teach us, they lead us to doom
Oh Mother don't leave us to bloom
Holy Father those kids have been through
The deepest and meanest of truths

They preached wrong habits and brought us havoc
With their hands around me they fall on one knee to pray
We can't help finally, we can't tell any

When they teach us, they lead us to doom
Oh Mother don't leave us to bloom
Holy Father those kids have been through
The deepest and meanest of truths

When they teach us they lead us to doom
Oh Mother don't leave us to bloom
Holy Father those kids have been through
The deepest and the meanest
Like fire in the wind it comes around, like dirt in your soul i
t's gonna come around
Oh it's gonna come around, I'm gonna be there to pull you down,
Oh, OH
