

## Emotional Wreck

Ours

Lies judge when you see him  
His thoughts aren't safe  
Start once you to besiege him  
It seems too easy

I'm an emotional - I'm alright  
Don't light a fire 'cause the leaves are dry  
I'm all right, no headlights  
I'm an emotional wreck sometimes

Twice hardly believes it  
Far far too great  
Sees himself as a hero  
Gods forgotten pain

I'm an emotional - I'm all right  
Don't light a fire 'cause the leaves are dry  
I'm alright, No headlights  
I'm an emotional wreck sometimes

It's a bit of me  
passing on the leaf  
pressure disagrees  
makes me wanna sleep tight...away the time  
Thoughts that cannot be  
picking off your tree  
too much thoughts of me  
Where is sublime  
A world sublime  
Sublime...

I'm an emotional - I'm alright  
Don't light a fire 'cause the leaves are dry  
I'm all right, No headlights  
I'm an emotional wreck sometimes
