Emotional Wreck

Lies judge when you see him His thoughts aren't safe Start once you to besiege him It seems too easy

I'm an emotional - I'm alright
Don't light a fire 'cause the leaves are dry
I'm all right, no headlights
I'm an emotional wreck sometimes

Twice hardly believes it Far far too great Sees himself as a hero Gods forgotten pain

I'm an emotional - I'm all right
Don't light a fire 'cause the leaves are dry
I'm alright, No headlights
I'm an emotional wreck sometimes

It's a bit of me passing on the leaf pressure disagrees makes me wanna sleep tight...away the time Thoughts that cannot be picking off your tree too much thoughts of me Where is sublime A world sublime Sublime...

I'm an emotional - I'm alright
Don't light a fire 'cause the leaves are dry
I'm all right, No headlights
I'm an emotional wreck sometimes
