In a Minute

I can be just like the others I can act just like your brother I can dress just like your mother I can be but I don't bother

In a minute, In a minute I can be these things In a minute don't you get it Don't you get it

If I was to be as cruel as I could be Would you like to still give all of your life to me?

In a minute, In a minute I can be these things In a minute don't you get it Don't you get it

I can be just like the others I can act just like your brother I can dress just like your mother I can be but I don't bother

In a minute, In a minute I can be these things In a minute don't you get it Don't you get it
