

## Grace, Mercy And Peace

Out Of The Grey

Grace, mercy and peace  
I wish for you these three  
That you may know, they can be yours  
From God, our father and Jesus our Lord

Grace, mercy and peace  
What more could we ever need  
Oh, but to know this gift of life  
Found only in Jesus Christ

Grace, mercy and peace  
Are yours if you believe  
I pray today you'll know his love  
And feel more joy than you can show  
But more than these, I pray you'll taste  
His grace, mercy and peace
