

## Walk By Faith

### Out Of The Grey

I'm gonna walk by faith, not by sight  
'Cause I can't see straight in the broad daylight  
I'm gonna walk by faith, not by fear  
'Cause I believe in the One who brought me here

I'm standing on the edge of whatever  
Whatever He has planned for me  
My next step will be measured  
With confidence in the unseen

Like dancing on the edge of forever  
I have nothing left to lose  
Flying free as a feather  
A vagabond in beautiful shoes

I'm moving through this great unknown  
With faith beneath my feet  
I take the road invisible  
But I know Jesus goes with me  
Oh, I believe, I believe  
Because You gave Yourself to me  
And I have nothing left to fear  
'Cause I see it's You who brought me here  
Though the road ahead is not quite clear  
Still I know the way
