

# When Love Comes To Life

Out Of The Grey

I opened up a window some years ago  
To see if there was anything I did not know  
In spite of my enlightenment, it seems I was blind  
But some seeds got planted and they grew up inside

Now I can give you reasons for the hope that I have  
This faith in Jesus is based on the facts  
But you don't know what you're missing  
Till you get a glimpse of something better

When love comes to life  
The lost find their way  
When love comes to life  
The blind can see the light of day  
My mind, my heart, my spirit all testify  
Everything changes when love comes to life

I could say so many things, spin convincing arguments  
Fill you up with herbal tea and read from dusty documents  
But if I make you stay up all night, still I can't make you decide  
To pick up the evidence and put down some pride

When love comes to life  
The lost find their way  
When love comes to life  
The blind can see the light of day  
My mind, my heart, my spirit all testify  
Everything changes

It's holy love that motivates the bravest of souls  
To tremble in awe of the sacrifice  
It's only love that motivates the faintest of hearts  
To say these words I say to you

When love comes to life  
The lost find their way  
When love comes to life  
The blind can see the light of day  
My heart, my mind, my spirit all testify  
Everything changes, everything changes, everything changes  
When love comes to life
