

## Good Evening (Dream Big)

Outasight

Good morning, good evening,  
I hope you like dreaming,  
You live to learn, and you learn to live,  
It's positive and negative,

I can't sleep, but I dream big  
Good evening,  
Well it's hard to get to bed,  
With a head full of dreams,  
Pocket full of loose change,  
Rippin' at the seams,

And it's hard to keep moving,  
With a head full of steam,  
It's the green,  
It's the scene,  
It's everything,

Hard to gain perspective,  
When ya' eyes won't close,  
It's hard to stand tall,  
When you already on your toes,

Money can't grow on trees, yea I know,  
It's the dough,  
It's the show,  
The got me all froze-en,

I wanna change my whole life n,  
Runnin' out of gas,  
Tell me who gon' scifen,

I'm likin' my chances,  
But I don't say Jack,  
Spin the wheel of fortune,  
Like I'm sajak,

All I wanna do is ride a mayback,  
Look real important,  
But please don't say that,

That's all that matters,  
To me,  
Why can't I just,  
Dream,

Good morning, good evening,  
I hope you like dreaming,  
You live to learn, and you learn to live,  
It's positive and negative,

I can't sleep,  
But I dream big  
Good Evening,  
Well it's hard to find peace,  
When you're fighting a war,  
Hard to see the stars,

When ya' sleeping on the floor,

Take what you can get,  
Grab for a little more,  
At the mall,  
Let's ball,  
Who cares about debt anymore

No freebies,  
Stayin' alive like the bee gee's,  
If they rentin' on easystreet,  
Believe me I'm buying a penthouse yea,

Until then though,  
I got to get those flows,  
That I do through the ghetto's,  
And suburbs alike,

Cause I really like,  
Things that are nice,  
Greed is my only advice,

But I know it's only natural (ooh),  
So I'm a do what I have to do (yea),  
And when I finally get some rest (uh-hu),  
I can dream about shit that is fresh,

Good morning, good evening,  
I hope you like dreaming,  
You live to learn, and you learn to live,  
It's positive and negative,

I can't sleep,  
But I dream big  
Good evening  
Good morning, good evening,  
I hope you like dreaming,  
You live to learn, and you learn to live,  
It's positive and negative,

I can't sleep,  
But I dream big  
Good evening.
