

A Bad Note

OutKast

A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note

A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
A bad note ain't no bad note
If it's a good note
