

Interlude

OutKast

OutKast,
Tea's long,
Tea's strong,
Lastin' long vs. long lastin',
Education, however, the difference between the two
Which do you live in, yo'self?
To draw a master plan without a flaw
Somethin' lastin' long leaves a compromising position,
Everything that isn't becomes questionable, unbelievable, and
becomes weak at some point,
Done got the strength t blow and to hit jackin' this joint
Somethin' long lastin'
Big Boi and Dre, the duo whose chemistry gave the potion a rare
fate,
Two Atlanta boys that came into this industry,
For the same ol' boys to be OutKast, raps an' OutBlast the peer
s of the game,
Move with the groove an' don't let the smooth groove fool yu,
So it is, believe in the dirty Southernplayalisticcaddillac-
funky-aliens,
The kind that makes Aquemini,
Big Boi and Dre presents OutKast,
So get ready to bump!
808-style, 2
"The Speakerboxxx" and "The Love Below"
Two albums
With the ame ol' flow
Now enjoy it
