

# Look into My Eyes

Outlandish

Look into my eyes  
Tell me what ya see  
U don't see a damn thing  
Cuz u can't relate to me

U blinded by our differences  
My life makes no sense to u  
I'm the persecuted one  
U the red, white and blue

Each day u wake in tranquility  
No fears to cross your eyes  
Each day I wake in gratitude  
Thankin' God He let me rise

Ya worry 'bout your education  
And the bills u have to pay  
I worry 'bout my vulnerable life  
And if I'll survive another day

Ya biggest fear is getting a ticket  
As ya cruise your Cadillac  
My fear is that the tank that's just left  
Will turn around and come back

Yet do u know the truth of where ya money goes  
Do u let the media deceive your mind  
Is this a truth that nobody knows  
Has our world gone all blind  
Yet do u know the truth of where ya money goes  
Do u let the media deceive your mind  
Is this a truth that nobody knows  
Some one tell me

Oh let's not cry tonight  
I promise you one day it's through  
Ohohoh my brothers  
Ohohoh my sisters

Oh shine a light for every soul  
That ain't with us no more  
Ohohoh my brothers  
Ohohoh my sisters

See I've known terror for quite some times  
57 years so cruel  
Terror breathes the air I breathe  
It's the check point on my way to school

Terror is the robbery of my land  
And the torture of my mother  
The imprisonment of my innocent father  
The bullet in my baby brother

The bulldozers and the tanks  
The gasses and the guns  
The bombs that fall outside my door

All due to your funds

You blame me for defending myself  
Against the ways of my enemies  
I'm terrorized in my own land  
And I'm the terrorist

Yet do u know the truth of where ya money goes  
Do u let the media deceive your mind  
Is this a truth that nobody knows  
Has our world gone all blind  
Yet do u know the truth of where ya money goes  
Do u let the media deceive your mind  
Is this a truth that nobody knows  
Some one tell me

Oh let's not cry tonight  
I promise you one day it's through  
Ohohoh my brothers  
Ohohoh my sisters

Oh shine a light for every soul  
That ain't with us no more  
Ohohoh my brothers  
Ohohoh my sisters

American do ya realize  
That the taxes that u pay  
Feed the forces that traumatize  
My every living day

So if I won't be here tomorrow  
It's written in my fate  
May the future bring a brighter day  
The end of our wait

Oh let's not cry tonight  
I promise you one day it's through  
Ohohoh my brothers  
Ohohoh my sisters

Oh shine a light for every soul  
That ain't with us no more  
Ohohoh my brothers  
Ohohoh my sisters
