

# Peelo

Outlandish

Peelo  
Gutter ka pani peelo  
Kabhi na kabhi to peelo  
Me hoon hero tu hai zero

Don't even go there kid you know I'm out of your damn reach  
Your talk is cheap at least I practice what I teach  
And when all systems fail you return to the beats  
But got nothing to say, the chosen one for defeat  
And I spot you in the crowd while I flash in the spotlight  
How you wish you could be more like me and bust over beats tigh  
t  
And reach out to these kids 'cause when I speak you know they l  
isten  
I paid the king a visit now he delivers pizza in prison  
You said I was bizarre don't watch stars mob floors  
You see I was hardcore if you gave me less I made it more  
But fuck that one love baby let's hit for that cheddar  
Basically we the same I just make it look better

Peelo  
Gutter ka pani peelo  
Kabhi na kabhi to peelo  
Me hoon hero tu hai zero

Toma del arroyo de los celos, perros  
Te lo digo en la lengua de mi amigo, peelo  
Te duele toda rima que yo escribo, y sigo  
Siendo en estos montes yo el mero, mero  
Hijo de la gran p\*\*\*  
Un momento, respeto a la madre tuya  
Porque eres tu quien es la puta  
Pobrecito toma mi rima y mis contratos  
Quieres estar en mis zapatos  
En la supuesta rampa de la fama  
No vendas la carne antes mata la vaca  
No estas listo nino  
Para una guerra verbal  
Es a mi al que siempre te van a comparar
