

Peelo
Gutter ka pani peelo
Kabhi na kabhi to peelo
Me hoon hero tu hai zero

Don't even go there kid you know I'm out of your damn reach
Your talk is cheap at least I practice what I teach
And when all systems fail you return to the beats
But got nothing to say, the chosen one for defeat
And I spot you in the crowd while I flash in the spotlight
How you wish you could be more like me and bust over beats tight
And reach out to these kids 'cause when I speak you know they listen
I paid the king a visit now he delivers pizza in prison
You said I was bizarre don't watch stars mob floors
You see I was hardcore if you gave me less I made it more
But fuck that one love baby let's hit for that cheddar
Basically we the same I just make it look better

Peelo
Gutter ka pani peelo
Kabhi na kabhi to peelo
Me hoon hero tu hai zero

Toma del arroyo de los celos, perros
Te lo digo en la lengua de mi amigo, peelo
Te duele toda rima que yo escribo, y sigo
Siendo en estos montes yo el mero, mero
Hijo de la gran p***
Un momento, respeto a la madre tuya
Porque eres tu quien es la puta
Pobrecito toma mi rima y mis contratos
Quieres estar en mis zapatos
En la supuesta rampa de la fama
No vendas la carne antes mata la vaca
No estas listo nino
Para una guerra verbal
Es a mi al que siempre te van a comparar
