

This ain't a love song
This is a live song

Woman, u my equal, my wife
We be tight like
2 perfectly matching calligraphy lines

We don't wanna build our house of earth, water and stone
But of wisdom, pure intentions, conversation
Compassionate action, with purity of heart
We might get somewhere, become light
Fast and burn like a candle, right
Intertwine, u give me peace of mind
I cloak u and u cloak me
Responsible I feel with honesty
Between us God has put affection and mercy
Praised be He who created u
Cuz all I see in u is beautiful

Woman, u my equal, my wife
We be tight like
2 perfectly matching calligraphy lines
What drew us together
Doesn't conform to the laws of nature
It is written
There is only One opener for the lock of these things

Amor mío
Te adora como a la más bella estrella fugaz en el cielo
Y cuando me siento sólo, sé que tú me entiendes
Sé que me comprendes
Sueño apoyarme en tu sonrisa
Toma mi mano y ven de prisa
Siempre me imagino Viejo y arrugado
Mis hijos ya crecidos mis nietos a mi lado
Y la luz de luna a revelado
Que tu palpar es por mí, que siempre a sido así
He practicado que decir muchas veces
Y cuando Dios lo quiera estaremos frente a frente
Será el momento de embrujarte
Ojalá que en tus ojos me retrates
Que aceptes mi pasado, que mis locuras yo no pague
Yo te prometeré mi vida
Aunque la muerte nos separe

[Translation:]
My dearest
I adore you like the most beautiful shooting star in the sky
And when I feel alone I know that you understand me
I know that you comprehend me
I'm looking for comfort in your smile
Let's hurry, follow me
'Cuz I've always seen myself old and aged
My children grown up, grandchildren by my side
And the moonlight has revealed
That your heart beats for me
And it has always been like that

I've practised what to say many times
When God is willing
We'll stand face to face
That will be the moment to put a spell on you
If only I could slide into your eyes
If only you would see through the past
If only I don't have to pay for my peculiarities
I'll dedicate my life to you
Even after death will separate us

Woman, u my equal, my wife
We be tight like

Most definitely in our luv are signs of knowledge
Every dime I spend on u
Is worth more than what I spend on the poor
See patience is the best key to happiness
Continuous, satisfaction, pearls wanna be like u
Intertwine, u are my Sakeena
U protect me and I protect u
Scientifically we be deeper than Al-kindi
Between us God has put affection and mercy
This ain't a luv song
This is a life song

We going 6 years strong
With no sign of REGRET
With each year we gain in force with ups and downs of course
Yeah my wife is my cousin
And thank God, Faizan my son was born without complications
Hina my love to you is unconditional
Not limited by typical Bollywood scenarios
Or by statistics when problems occur we leave
'Cause I know t u'll stay till I no longer will breathe
Or if I'm crippled, blinded or anything else
I know I can rely on u helping my every step
Love is not just limited to butterflies and sex
It's to recognise and respect each others intellects
Lots of regrets many things we shouldn't have said and done
But that's just part of our journey and it's just begun
Define beauty 'cause one day looks will fade
But a beautiful mind still be young at an old age
And I know it's hard me being away for so long
But I respect u so much for being so strong
I remember U being pregnant going to school
Cooking food taking care of my parents and the whole house
All in one something a man could never do no doubt
So I thank my mother for the day she brought us together
And I pray for our reunion in the afterlife forever

Woman, u my equal, my wife
We be tight like
