Outlandish

Tragedy turns to Triumf can you feel it in the air  
I dont know how to give up can you feel it in the air

Say 3 lefts make a right though not out the wood tonight  
keep it loose keep it tight keep it here on a height  
u can bring the light and we can bring wood  
then we light it up nomatter what  
never give it up no hesitation  
6 degrees of separation from u so yeah I know  
never say its impossible gotta get a grip if I slip or fall  
get up but don't expect an applaud or them waiting with cameras  
when lights go out not without cost thats when u go raw raw  
turn a loss into triumph

Tragedy turns to Triumf can you feel it in the air  
I dont know how to give up can you feel it in the air

Vengo cargando leña  
Y a lo lejos mi gente sueña  
Con fuegos artificiales  
Con frijoles y aguacatal'es  
Canto pa' que llueva cafe en el campo  
Y las cosas vayan mas pa' 'delante  
Así que canten, conmigo canten  
Y las cosas buenas nunca falten  
Tengo el dinero en cero  
Soy el dueño del mundo entero  
Con la luna como azafata  
Voy alegre y la vida es grata  
Que el cariño vaya primero  
Conquistando a el mundo entero  
Con la luna como azafata  
Voy cantando, la vida es grata
