

Cuando te aceleras y te cuesta respirar, necesitas algo refrescante para tomar. Tengo algo para ti si lo quieres ven a mí. Tiene que probarla esto es love colada. Te puede aliviar y curar con esta poción te arderá el corazón. Toma todo o nada esto es love colada. Tranquilízate, engánchate que no hay nada igual. Deliciosa cerca tus labios rosas esta cosa es peligrosa, tómalala y sabrás. Es una bebida que derrite el corazón la magia de esta copa te quita la razón. Ten cuidado al tomar te podrías hechizar. Tienes que probarla... Cierra los ojos y pruébala mmm... Que rica está. Mueve, mueve, mueve la cadera. Espera como te libera, espera te enloquecerá. Te llena el deseo no detienes tu pasión, sufres de mareo de enfrentar la tentación tu sudor con mi sudor te emborrachas del calor. Tienes que probarla...

When your lips are thirsty And your body's getting hot Ya' need that special something That really hits the spot I've got just the recipe Move on over close to me. If you really wanna (wanna, wanna) Make a love colada You gotta take a glass in your hands Fill it with romance Add a dash of salsa heat Boy it's all or nada Give it all you gotta Make a love colada Nothing's hotter That's the drink you need. Shake it - shake it That's the way you make it - make it As strong as you can take it - take it That's the drink you need. Pour some desire Baby, that's the way it's done Add a splash of mystery And a double shot of fun Garnish with a twist of fate Baby that is all it takes. If you really wanna... Close your eyes - move your hips Bring it to your lips - taste it baby Mmm goes down so good Move it, move it Like you mean it gotta groove it - groove it If you think u can improve it - prove it That's the drink for me. Blend one part of passion And a drop of something sweet Mix it with affection And your recipe is complete One taste and you're in the mood Nothing's goes down quite as smooth. If you really wanna...
