I was born to laugh
I learned to laugh through my tears
I was born to love
I'm gonna learn to love without fear

Pour me a glass of wine Talk deep into the night Who knows, what we'll find

Intuition, deja vu
The Holy Ghost haunting you
Whatever you got, I don't mind

I was born to laugh
I learned to laugh through my tears
I was born to love
I'm gonna learn to love without fear

Put your elbows on the table I'll listen long as I am able There's nowhere I'd rather be

Secret fears, the supernatural Thank God for this new laughter Thank God the joke's on me

'Cause I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear

We've seen the landfill rainbow We've seen the junkyard of love Baby, it's no place for you and me

I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear

I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear

I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear

I was born to love I'm gonna learn to love without fear
