

## Iron Curtain

## Over the Rhine

Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
Making me cry  
Making me wonder  
Bringing me down  
But making me love you  
Making me sad  
Making me sorry and  
A little afraid  
But making me love you  
Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
The iron curtain  
Around your heart  
The iron curtain  
Around your heart  
Making me cry  
Making me wonder  
Bringing me down  
But making me love you  
Making me sad  
Making me sorry and  
A little afraid  
But making me love you  
Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
The iron curtain  
Around your heart
