

Iron Curtain

Over the Rhine

Yesterday I saw
The iron curtain
Around your heart
Yesterday I saw
Making me cry
Making me wonder
Bringing me down
But making me love you
Making me sad
Making me sorry and
A little afraid
But making me love you
Yesterday I saw
The iron curtain
Around your heart
Yesterday I saw
The iron curtain
Around your heart
The iron curtain
Around your heart
Making me cry
Making me wonder
Bringing me down
But making me love you
Making me sad
Making me sorry and
A little afraid
But making me love you
Yesterday I saw
The iron curtain
Around your heart
Yesterday I saw
The iron curtain
Around your heart
