

Suitcase

Over the Rhine

Whatcha doing with a suitcase?
Trying to hit the ground with both feet running
Aren't you tripping on your shoelace?

Stealing away on a sunny day
Well, aren't you ashamed at all?
Funny but I feel like I'm falling
I want to beg you stay
You're stealing away on a sunny day

Why'd you love me in the first place?
You were always closer than ever
I can barely look at your face

You're stealing away on a sunny day
Well, aren't you ashamed at all?
Funny but I feel like I'm falling
I want to beg you to stay
You're stealing away on a sunny day

I've said my
I've said my
I've said my peace
I'm on my
I'm on my
Down on my knees

Whatcha doing with a suitcase?
Whatcha doing with a suitcase?
You're stealing away on a sunny day
Well, aren't you ashamed at all?
Funny but I feel like I'm falling
I want to beg you stay
You're stealing away on a sunny day

What you doing with that suitcase?
