Sometimes I'm lost And then I'm found Sometimes I feel Turned inside out I'm often silent when I'm screaming inside Instead of love We tend to hate We never quite Appreciate How much the other person cares or tries Hold me close Don't ever let me go Cause I'm confused But maybe someday I will know why Sometimes I'm right as rain And when it rains it pours You're such a mystery Why can't I unlock the door All that glitters isn't gold Too much is overkill Love can be beautiful Or a bitter pill And when I'm right I'm also wrong We give and take To get along There's so much more to this than I ever dreamed And when you smile I have to laugh And when you cry I'm torn in half So calm and yet so loose at the seams Oh Hold me close Don't ever let me go I'm confused But maybe someday I will know why Sometimes I'm right as rain And when it rains it pours You're such a mystery Why can't I unlock the door All that glitters isn't gold Too much is overkill Love can be beautiful Or a bitter pill Liebe kann eine bittere pille sein Eine bittere pille

Liebe ist eine bittere pille

Eine bittere pille

Liebe kann eine bittere pille sein
Ich will ein bier
Ich will besoffen sein
Die ganze welt ist dumm
Mir steht es so im hals
Ich sage dir
Die liebe kann nur luge sein

Hold me close
Don't ever let me go
Cause I'm confused
But maybe someday I will know why

Sometimes I'm right as rain
And when it rains it pours
You're such a mystery
Why can't I unlock the door
All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
Or a bitter pill
