

Death Tone

Overkill

Ridin On Two Wheels Chains Hooked On My Heels
Sittin In Leather Ridin On Steel

Put My Shades On Hair Blows In The Wind
I Give Some Square The Finger
Now He Won't Look Again
No He Won't

Ah You Were Sittin Home And I Got Sent To Nam
I Went To The Big House You Just Worked A Job

Hear Me Comin
Can't You Hear My Death Tone
Hear Me Comin
Can't You Hear My Death Tone

Hear Me Ride On Into The Night
Pull Along Side If You're Looking For A Fight Hey Hey Hey

My Social Workers Got Me On A Chain
Keeps Me Out Of Jail So The Paper Prints His Name
Yes It Does
And He Likes It

Unemployment Checks Run Out Next Week
It Won't Be Very Long 'Til I'm Back On The Streets Again

Now You Were Sittin Home And I Got Sent To Nam
I Went To The Big House You Just Worked A Job

Hear Me Comin
Can't You Hear My Death Tone
Hear Me Comin
Can't You Hear My Death Tone

Hear Me Ride On Into The Night
Pull Along Side If You're Looking For A Fight Hey Hey Hey

Yeah!

Death Tone Death Tone
Gonna Ride On My Death Tone
Yes I Am
I'm Gonna Ride On You Tonight
