

## Devil by the Tail

Overkill

Oh, to be the fire, I am just a man  
Oh, to walk the wire, believing that I can  
Reach on down you're throat to tear it out  
Find out what the inside's all about  
Justify my envy  
Jealousy to fail  
In perfect deadly, harmony  
Hold the Devil by the tail  
Devil by the tail  
Oh, to slay the liar, he speaks for me, a man  
Oh, to try, conspire, yeah, believing that I can  
Reach into your heart and pull it out  
Find out what the beating's all about  
Justify my envy  
Jealousy to fail  
In perfect deadly, harmony  
Hold the Devil by the tail  
Devil by the tail  
Run your Devil up the pole  
Into my domain  
The forgotten drool, like rabid dogs  
By any other name  
They growl, they bark, they gnaw at me  
I still hear them wail  
Pray to hold what I hold  
A Devil by the tail  
Devil by the tail  
Run your Devil, out your soul  
By another name  
Devil by the tail  
Run your Devil, take control  
Before we go in  
Devil, Devil  
Devil, Devil  
Hey, Mr. Lucifer, do you have my pay?  
I'm done with working here as of today  
Hey, Mr. Savior, do you ever seem to fail?  
And got what I got, a Devil by the tail  
Devil, Devil  
Devil, Devil  
Devil, Devil  
    (By the tail)  
Devil, Devil  
    (By the tail)  
Devil, Devil  
    (By the tail)
