

Forked Tongue Kiss

Overkill

Long view on the eye a pocketful a pestilence
Got a fistful of memories, a long lost innocence
Hey baby, dead baby, devil he embracin' you
With a long forked-tongue-kiss suckin' all the life from you

If you need to reach me I'm broaking one through ten
And if you really need me can I get an amen?... ~Amen!~

Passion on a gotta get it while it's not
With a self-centered psychopath givin'a lorget-me-not
Rape me, rape me - everybody gets in line
With a long forked-tongue-kiss sucked away the rest of time

If you need to reach me I'm broaking one through ten
And if you really need me can I get an amen?... ~Amen!~

Longview in your eye: seal it with a kiss, you get the-
~Long forked tongue kiss!~
Memory in your fist seeking for your kiss-
~Long forked tongue kiss!~

Lay on down in the bad you made
It's a little too late to cry or to be afraid
Driven by the high heat, call it love
Driven by the high heat of the velvet glove
Call it free-will, call it choice
You know you ain't alone now
There's a second voice... when you're not alone!

Longview in your eye: seal it with a kiss, you get the-
~Long forked tongue kiss!~
