

Get that call to prove when they flow
And they press, what's bleeding their face
Above all the dust doing all
In some way we lose our '
Got the heart of a lion and like them flesh
The storm breaks it through for the lion
I find your 'and really ashes
A city wex and 'by the fire
Up in the front with the light
See your beautiful smile, everything will be lost
Hey you hear this 'live in the sand
Stay up wild and fight
Living and fallow, live with the Sun
Leave all like the eye of the soul
When we support with the change
We both are incredible scar 'and how they made it '
