

Mad Gone World

Overkill

Cutting through confusion takes you far away
Confusing an illusion with thoughts that go astray
In a world gone mad and thriving, in the boundaries of your bra
in
Imprisoned in a world created soley for the purpose of a crunch

What ya see and what ya feel are nothing, nothing real
A visionary climax, an imagery so clear
Losing touch or reason, both quickly slip away
Imprisoned in a world created soley for the purpose of a-

Save me from this mad gone world
Save me from myself
Save me from this mad gone world! I need help
Save me from this mad gone world
Save me from decisions
Save me from this mad gone world! And indecision!!!

One million minutes, one million nights
One million dreams I've had and a million fights
Livin' in a mad gone world, livin' blind
Livin' with this worldly madness
Just a state of mind, just a state of mind

~Mad! Mad gone world!.~

Save me from this mad gone world
Save me from myself
Save me from this mad gone world! I need help
Save me from this mad gone world
Save me from decisions
Save me from this mad gone world! And indecision!!!
