

# I'm Not Going Anywhere Tonight

Owen

I'm not going anywhere tonight  
Because of something said  
I know, I know, it was meant well  
It still hurt like hell

Its okay, it's alright  
It's just that I'm a little tired of fading interest  
Of boys and girls

Who know me, who know me  
And I wanna say, I'm gonna say  
I'm not the same, maybe in time

I'm not making promises in life  
'Cause of something I did tonight  
My best friend that was way back when  
Not anything was everything then

I know it's not fair to the fairest of them all  
You know who you are  
I've got your picture on a mirror on my wall

I know you and, I know you and  
But you wanna say in the worst of ways  
That I'm afraid and maybe too late

I'm not going anywhere tonight  
'Cause I don't want to, I don't have to  
It's my right to be a f\*\*king baby sometimes
