## **More Than Words**

more than words it's all you'd have to do to make it real then you wouldn't have to say that you loved me cuz I'd already know

what would you do if my heart were torn in two

more than words to show you feel that your love for me is real

what would you say if I took those words away then you couldn't make things new just by saying I love you

more than words

now that i've tried to talk to you and make you understand all you have to do is close your eyes and just reach out your h and and touch me hold me close don't ever let me go

more than words it's all I ever needed you to show then you wouldn't have to say that you loved me cuz i'd already know
