

## Never Meant

Owen

Lets just forget, everything said. Everything we did.  
Best friends, better halves  
Goodbyes, and the other night, we realized,  
We were falling out of love  
There were some things, that were said, that weren't meant  
They never did  
The last thing I want to be is overly dramatic  
I just think its best  
Cause you can't miss what you forget  
So lets just pretend  
Everything and anything  
Between you and me  
Was never meant
