

Never Meant

Owen

Lets just forget, everything said. Everything we did.
Best friends, better halves
Goodbyes, and the other night, we realized,
We were falling out of love
There were some things, that were said, that weren't meant
They never did
The last thing I want to be is overly dramatic
I just think its best
Cause you can't miss what you forget
So lets just pretend
Everything and anything
Between you and me
Was never meant
