

# Always

Owl City

When the road is long  
And your strength is gone  
Remember I am just a prayer away  
When the way is hard  
And you are faint of heart  
Remember I am just a prayer away

Hold fast, I'll guide you through the night  
And fear not for I am by your side

Listen through the rain  
And you can hear the angels say  
Help is on the way  
The moment you begin to pray  
When the thunders roar  
You don't need to be afraid  
I'll lead you through the storm  
So please remember when I say  
I'm with you always

When you are worn out  
And you are let down  
Remember I am just a prayer away  
When every door is locked  
And you feel so lost  
Remember I am just a prayer away

Hold fast, I'll guide you through the night  
And fear not for I am by your side

Listen through the rain  
And you can hear the angels say  
Help is on the way  
The moment you begin to pray  
When the thunders roar  
You don't need to be afraid  
I'll lead you through the storm  
So please remember when I say  
I'm with you always

Come and walk with me, yeah  
Come and talk with me, yeah  
Soar on eagles' wings  
Run and I'll be there

Listen through the rain  
And you can hear the angels say  
Help is on the way  
The moment you begin to pray  
When the thunders roar  
You don't need to be afraid  
I'll lead you through the storm  
So please remember when I say  
I'm with you always  
I'm with you always
