

# Fiji Water

Owl City

Got an email at 22  
Told me I could be a star  
On a plane for the first time  
I couldn't wait to start

Landed at JFK  
Father Christmas picked me up  
Checked in to a dream hotel  
And I thought "There's no such thing as luck"

I walked in to my interview  
And I thought "There's no such thing as luck"  
And oh, if I only knew then what I know now  
I'd stand like a one man band  
And I'd say "All this is new to me, but here's how it's gonna be"

And I'd say "Hey, there is more to me than meets the eye  
Let me be who I wanna be"  
And I'd say "Hey, I'm an oddity and that's alright  
Let me fly and follow my dreams"

And I'd say "Hey, thanks for the weekend  
A good time was had by all"  
And I'd say "Hey, thanks for the weekend  
I ain't a smooth-talker but thanks for the Fiji Water"  
"Thanks for the Fiji Water"

Dinner under a palmtree  
I had so much on my mind  
Amazed by the bright lights  
I stayed up half the night

And boy, I took a leap of faith  
With nowhere else to go but up  
I walked in to my interview  
And I thought "There's no such thing as luck"

And oh, if I only knew then what I know now  
I'd stand like a one man band  
And I'd say "All this is new to me, but here's how it's gonna be"

And I'd say "Hey, there is more to me than meets the eye  
Let me be who I wanna be"  
And I'd say "Hey, I'm an oddity and that's alright  
Let me fly and follow my dreams"

And I'd say "Hey, thanks for the weekend  
A good time was had by all"  
And I'd say "Hey, thanks for the weekend  
I ain't a spin doctor but thanks for the offer"

And "By the way, hey, thanks for the weekend"  
(cause no one does it like you do)  
"You know I had a ball"  
(it was nice to meet you)  
And I'd say "Hey, thanks for the weekend  
I ain't a smooth-talker but thanks for the Fiji Water"

"Thanks for the Fiji Water"

I laughed when I got back home and I thought  
"There's no such thing as luck"
