## **Hello Seattle**

Hello Seattle, I am a mountaineer In the hills and highlands I fall asleep in hospital parking lots And awake in your mouth

Hello Seattle, I am a mantaray Deep beneath the blue waves I'll crawl the sandy bottom of Puget Sound And construct a summer home

Hello Seattle, I am the crescent moon Shining down on your face I will disguise myself as a sleeping pill And descend inside of you

Hello Seattle, I am a cold seahorse Feeling warm in your sand I sing about the tide and the ocean surf Rolling in the evening breeze

Hello Seattle, I am an albatross On the docks and your boats I sail above your inlets and interstates Through the rain and open wind

Hello Seattle, I am an old lighthouse Throwing beams of bright lights Red in the morning, blue in the evening sun Taking heed from everyone

Hello Seattle, I am a mountaineer In the hills and highlands I fall asleep in hospital parking lots

Take me above your light Carry me through the night Hold me secure in flight Sing me to sleep tonight

Take me above your light Carry me through the night Hold me secure in flight Sing me to sleep tonight
