

# Hey Anna

Owl City

Hey Anna, it's just a boy you won't understand if you try  
So, hey Anna, smile when he's holding your hand tonight  
Hey Anna, remember when you're wishing away your life  
Hey, hey Anna, everything is going to turn out just fine

Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh

Such a hot crush  
Makes your face blush,  
But try to take your time

'Cause every goose chase  
Makes your heart race  
And you wonder why?

So wait for the home run,  
You'll find the right one  
And you'll figure this all out

Life is a mind game  
Love is a blind date  
And it's making your heart pound

Hey Anna, it's just a boy you won't understand if you try  
So, hey Anna, smile when he's holding your hand tonight  
Hey Anna, remember when you're wishing away your life  
Hey, hey Anna, everything is going to turn out just fine

Every mindset  
Isn't so bad  
If you look outside

'Cause all the suns say  
That it's a new day  
And you were so alive

So wait for the home run,  
You'll find the right one  
And you'll figure this all out

Life is a mind game  
Love is a blind date  
And it's making your heart pound

Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh

Hey Anna, it's just a boy you won't understand if you try  
So, hey Anna, smile when he's holding your hand tonight  
Hey Anna, remember when you're wishing away your life  
Hey, hey Anna, everything is going to turn out just fine

Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh

Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh  
Da-da-da, da-da-da, da-da-whoa-oh
