

# Lonely Lullaby

Owl City

Symphony of silver tears,  
Sing to me and sooth the ring in my ears,  
Overcast these gloomy nights wear on,  
But I'm holding fast because it's darkest just before the dawn.

I sang my princess fast asleep,  
'Cause she was my dream come true,  
Oh Annmarie, believe me, I loved you.

But now those lonely lullabies,  
Just dampen my tired eyes,  
Because I can't forget you.  
Because I can't forget you.

I'll dissolve when the rain pours in,  
When the nightmares take me,  
I will scream with the howling wind,  
'Cause it's a bitter world and I'd rather dream.

Dizzy love turned a star lily pink,  
And hung above our lids too flushed to blink,  
But icy blue froze the fairytale cold,  
Though I treasured you and you sparkled with someone to hold.

I sang my princess fast asleep,  
'Cause she was my dream come true,  
Oh Annmarie, believe me, I loved you.

But now those lonely lullabies,  
Just dampen my tired eyes,  
Because I can't forget you.  
Because I can't forget you.

I'll dissolve when the rain pours in,  
When the nightmares take me,  
I will scream with the howling wind,  
'Cause it's a bitter world and I'd rather dream.

I'll dissolve when the rain pours in,  
When the nightmares take me,  
I will scream with the howling wind,  
'Cause it's a bitter world and I'd rather dream.  
And I'd rather dream.

Annmarie, I'll never forget you.  
Annmarie, I'll never forget you.  
Annmarie, remember me?  
I'll never forget you.  
Annmarie, remember me?  
I'll never forget you.  
Annmarie, remember me?  
I'll never forget you
